

B-3351 - B-3358

1845-1855

1000-1048 Patapsco St. (West side)

Baltimore, Md.

Private access

The majority of houses along the west side of this block of Patapsco St. are small, two story, two bay wide gable-roofed brick houses built in the 1850's to provide inexpensive housing for the growing numbers of new workers arriving in the area, many of whom were recent immigrants. A number of these houses have recently been renovated and now serve a mixed commercial/residential use. 1000 Patapsco St. has been remodeled as a two story, shed roofed house with bracketed cornice; 1026 and 1042 Patapsco St. are two story plus attic, two bay wide brick houses. The houses along Patapsco St. were generally built by the owners of the houses located on the western sections of the lots, facing on S. Charles St.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This pair of two story, two bay brick houses with gable roofs was built in the 1840's and formed part of a group of such houses extending along this side of Patapsco St. Both houses have been covered with formstone.

The houses are two stories in height, 14' wide, and occupy lots 47 1/2' deep and 50 1/2' deep respectively. Each house is two rooms deep and has a one story high, two bay deep frame addition with a one bay wide and deep second story adjoining an open wooden porch. The houses are probably constructed in common bond but the facades have been covered with formstone. The low-pitched gable roof has a two-tier brick cornice.

Although the original treatment of the door and window lintels and sills has been hidden by the formstone covering, it is apparant that all of the openings had flat lintels. All of the window openings are filled with 1/1 double hung sash. 1012 Patapsco has a modern flush door; 1014 Patapsco has a modern six panel door. Both doors are set beneath single light transoms. The houses sit on very low basements, the entrances being reached by one stone step each. 1014 Patapsco has a low, rectangular basement opening located beneath the first floor window. A flat-roofed alleyway runs back beneath the southernmost bay of 1014 Patapsco St.
